Visit us at the Windows and Devices booth at Microsoft Central

Get your questions answered by Microsoft subject matter experts, learn more about deployments, Desktop as a Service, and Security Services. We will also have some great industry, technology and device displays so you can stay up to date on what's hot in the market today. And while you are here, attend the Windows theater sessions including the crowd favorite "Realize Digital Transformation with Windows & Devices."

Both current Windows Insiders and new sign-ups will receive a special gift for coming by!

Join us at the Windows Partner Reception

Listen to live music, enjoy world-class food and drink, and network with fellow partners and Microsoft executives at this exclusive event.

- **When:** Monday, July 10, 8:00-11:00pm
- **Where:** Washington DC's historic Union Station, East Hall.

To register, please visit [Microsoft Windows Partner Networking Reception Registration](#).

Celebrate with a live performance at Nationals Park

As you wind-down the conference this year, make sure to attend the Partner Reception on Wednesday evening for some great fun and entertainment. We cannot wait to celebrate and honor you—our partners—with an amazing performance, hosted at Nationals Park in Washington, D.C. on July 12th beginning at 7 PM ET. In addition to a great performance, you can expect plenty of food, fun, and a wealth of opportunities to make new connections.
